Hi team-- I've attached a draft press release announcing the October 20 community meeting for Sandy and a related letter to the editor for submission to Utah Policy for your review and edits. The press release follows the same language used for the Lakewood meeting last month; the LTE content is a bit more extended.

Please review and provide edits, suggestions at your earliest. I'd like to get these issued/submitted by Wednesday latest, and we will need to clear LTE with HQ.

Thanks in advance!
